

Mark Stanton Welch is a singer/songwriter, teacher/facilitator, sound alchemist, vibrational healer, performer, and spiritual mentor. He travels the world assisting others in reclaiming their true and whole selves through music, chant, mantra, song, movement, activity, information, and inspiration. His performances are a guided evening of presentation songs and sing-alongs, often unpredictable, but always, a life affirming adventure. Please visit Mark's web site at **www.markstantonwelch.net** for a closer exploration of his workshops, events, music, courses, and services.
